ICHTHYOLOGY & HERPETOLOGY

(FORMERLY KNOWN AS *COPEIA*)

Ichthyology & Herpetology is the official publication of the American Society of Ichthyologists and Herpetologists. It is an internationally respected and widely-cited journal that publishes original research on fishes, amphibians and reptiles. It emphasizes systematics, ecology, behavior, genetics, morphology and physiology. In addition, the journal includes news of members and their activities, a summary of the annual meetings, book reviews, and notices of new publications of interest to members.
