JOURNAL OF FORAMINIFERAL RESEARCH

The Journal of Foraminiferal Research is the official publication of the Cushman Foundation for Foraminiferal Research. It continues the Contributions from the Cushman Laboratory for Foraminiferal Research, which were published from 1925 until 1950, and Contributions from the Cushman Foundation for Foraminiferal Research, which were published continuously from 1950 until 1970. JFR publishes original papers of international interest dealing with the Foraminifera and allied groups of organisms.
